

Login smartphone

The image shows a hand-drawn sketch of a smartphone. The screen displays a login interface for an application named 'UnicornAttractor'. At the top of the screen is a status bar with icons for Wi-Fi, cellular signal, and battery, along with the time '14:04'. Below the status bar, the app name 'UnicornAttractor' is on the left, and a hamburger menu icon (three horizontal lines) is on the right. The main heading on the screen is 'Please Log In'. Below this, there are two input fields: the first is labeled 'Username' and the second is labeled 'Password'. Under the password field is a 'Log in' button. At the bottom of the login section, there is a link that says 'Don't have an account? [Register here.](#)'. The entire screen content is enclosed in a thick black border representing the phone's frame.
